Glossary

The report analyzes the disclosed spending of Bahraini organizations on public tenders in 2022, including a breakdown of the top vendors following the sector list of Bahrain Tender Board.

Awarded Contracts: The last phase of tenders in which the company winning the tender is announced after the evaluation of offers presented by the bidders.

Value or Contract Value (USD): The total values upon which the corresponding bidders won the tender with reference to the number of tenders.

Tender Count: The number of awarded contracts in a given year.

Tender Market Share or Sector Allocation: The distribution of awarded contracts in terms of value across Bahraini's sectors.

Awarding Date: The date at which the tender is awarded to the selected bidder after evaluating the bidders offers and the bid evaluation process is done.

Organizations: Governmental or private entities that announce tenders to the public to obtain goods or services, or to hire contractors or consultants for specific projects.

Bidders: The companies presenting offers for the tender proposed with a specific offer.

Vendors: Bidders who were awarded tenders or whose bids have been accepted for specific tender.

Foreign Vendors: Bidders that are outside the MENA region, who were awarded tenders or whose bids have been accepted for specific tender.
